STEPS TO ENROLL

Fall 2020 Freshman Admission
Congratulations and welcome to San Diego State University!

It is an honor to congratulate you on your admission to San Diego State University and to welcome you to the SDSU family. You are about to embark on one of the most exciting times of your life.

As you complete the Steps to Enroll, attend New Student Orientation, and start attending classes, you will begin to make SDSU your own. Your new SDSU family is here to provide you with resources, guidance and support for you to shape your unique SDSU experience. Once you are here at SDSU, you will become familiar with our beautiful campus, choose clubs and organizations to join, attend Aztec Nights and athletic games, work with professors on innovative projects, and build a community of friends who you will share milestones and memories with over the next four years.

As SDSU celebrates its 122nd anniversary, we continue our commitment to building on excellence and providing students like you with life-changing opportunities as we have for over 400,000 alumni.

Embrace this moment and be proud of yourself. You have worked hard to get here. I am so happy for you and I cannot wait to see you in the fall. Once again, congratulations on becoming a part of SDSU’s class of 2024!

Please feel free to contact the Office of Admissions at admissions@sdsu.edu if you have any questions.

Sincerely,

Matthew Hebert
Director of Student Recruitment and School Relations
As an admitted freshman, you must complete the following steps to finalize your admission. For detailed instructions on each step, please visit sdsu.edu/admittedfreshmen.

- **Step 1: Complete the Intent to Enroll Process**
  Reserve your place in the class of 2024 by submitting the online Intent to Enroll $400 nonrefundable deposit in your SDSU WebPortal at sdsu.edu/portal. Additionally, please send official copies of transcript(s) from all high schools and colleges you have attended, including fall 2019 grades. Finally, send official test scores for SAT or ACT exams you have taken, score reports for Advanced Placement (AP) exams, and International Baccalaureate (IB) test scores.

- **Step 2: Activate Your SDSUid**
  Once you submit your Intent to Enroll, you will receive an email with instructions on how to activate your SDSUid account. Complete the steps in the email to activate your account. More information about SDSUid is available at sdsuid.sdsu.edu.

- **Step 3: Apply for Financial Aid**
  It’s time to decide how you and your family will finance your SDSU education. Learn more about applying for financial aid by visiting sdsu.edu/financialaid.

- **Step 4: Apply for Housing**
  Admitted first-time freshmen from outside SDSU’s local admission area are required to live on campus for two years. The Housing License Agreement will be made available to you online through the SDSU WebPortal at sdsu.edu/portal on March 2.

- **Step 5: Complete Immunization Requirements**
  All students must meet specific immunization requirements. Log in to the HealtheConnect portal on or after February 15 and upload your proof of immunizations and your Tuberculosis (TB) Risk Assessment. Visit sdsu.edu/immunizations ahead of time to review the requirements that apply to you and begin working with your healthcare professional to ensure you have completed all of the required immunizations. Make sure you have acceptable proof of completed immunizations available for submission. Acceptable proof includes records from your high school, private healthcare provider, local health department, or campus health center.

- **Step 6: Pay Basic Tuition and Fees**
  Basic Tuition and Fees are due two weeks before your New Student Orientation date, which is the day that you will register for classes. Log in to your Online Student Account at sdsu.edu/sas and pay your Basic Tuition and Fees.

- **Step 7: Attend New Student Orientation**
  New Student Orientation for freshmen is offered in July. Do not make travel arrangements before you have made a reservation for New Student Orientation. There are several one-day orientation programs to choose from; not all majors are represented on each orientation date. You can make your reservation online at sdsu.edu/orientation beginning on May 12 at 10 a.m. PST.
