

SAN DIEGO STATE
UNIVERSITY

ABOUT SDSU

Founded in 1897, San Diego State University is a public institution of higher education in southern California. Part of the 23-campus California State University system, SDSU is one of the largest universities in the state with more than 34,000 students.

SDSU continues to gain recognition as a leader in higher education. It is currently ranked No. 140 among national universities and No. 68 among public universities, according to *U.S. News & World Report's* annual ranking of America's Best Colleges.

OUR CAMPUS

Otherwise known as Montezuma Mesa, our campus is a place where mission-style buildings are spread over 280 acres of lushly landscaped grounds intercut with hills and canyons. Although the campus is large, you can walk across campus in just 20 minutes. SDSU is northeast of downtown San Diego, just off Interstate 8 and conveniently located along the San Diego Trolley Green Line.

VISIT SDSU

Join us on campus by scheduling a tour at www.sdsu.edu/campustours. Can't make it to campus? Take a virtual tour any time at www.sdsu.edu/virtualtour.

SAN DIEGO

The second largest city in California, San Diego is a thriving cultural, scientific, and educational center. Our proximity to the Pacific Rim and Mexico and our diverse regional population provide opportunities for valuable work and learning experiences.

Known for its near-perfect climate, miles of sandy beaches, and fun-filled waterfront activities, our region is home to a wide range of industries, from engineering and biotechnology to agriculture and tourism. The hustle and bustle of the Gaslamp Quarter and downtown neighborhoods is complemented by the charming and eclectic beach towns of Pacific Beach, Ocean Beach, and La Jolla.

With all the amenities for living, working, and playing, it's no wonder San Diego is nicknamed "America's Finest City!" Learn more about San Diego at www.sandiego.org.

MAJORS

At SDSU, we are committed to creating educational opportunities that contribute to intellectual development and equip you to succeed in a global society. All incoming students receive a four-year plan giving them a clear road map to graduation.

For more information about majors, emphases, and minors, visit www.sdsu.edu/majors. Find the plan for your major at www.sdsu.edu/mymap.

PREPROFESSIONAL PROGRAMS

Are you interested in attending a professional school after graduation? SDSU's preprofessional programs are not majors, but help prepare you to continue your studies in the following career fields:

- Predental
- Premedical
- Prepharmacy
- Preveterinary
- Prelegal
- Preoptometry
- Prephysician Assistant

You may learn more about a preprofessional program by contacting the program adviser. For more information, visit www.sdsu.edu/preprof.

STUDENT SUCCESS

WEBER HONORS COLLEGE

As one of SDSU's most academically engaged undergraduate students, you will benefit from small, discussion-based classes and innovative teaching techniques which promote inquiry and discovery. Study abroad opportunities and residential community experiences in the Honors Residential College in Zura Hall enable you to reach beyond the boundaries of your academic major.

To learn more about the requirements and applying for the Weber Honors College, visit www.sdsu.edu/honors.

RESEARCH

If you're driven by the thrill of discovery, prepare to conduct research alongside history-makers at SDSU. Our students, faculty, and alumni have been part of research teams that advance the commercialization of potential clean energy solutions, use fruit flies as a model to identify important pathways that promote the repair of the nervous system, and establish successful businesses on a regional, national and global scale.

To read these stories and more, go to research.sdsu.edu/undergrad.

STUDY ABROAD

Join more than 3,000 students each year who experience the excitement and rewards of studying in another country. SDSU offers nearly 400 study abroad programs in more than 70 countries. These programs offer you the opportunity to learn a new language, experience a different culture, build your resume, and increase earning potential.

Visit www.sdsu.edu/studyabroad to find the right program for you.

CAREER DEVELOPMENT

SDSU strives to help all students find their dream careers through a multitude of internships, career services, and mentoring programs. SDSU also offers extensive internship programs including the Division of Academic Engagement and Student Achievement Internship Program, which connects students with businesses in the San Diego area or with departmental internships on campus.

SDSU's Career Services hosts multiple career fairs throughout the year to connect students with on- and off-campus employers. Career Services also aids students in developing and refining their resumes and interviewing skills. Explore the available resources at career.sdsu.edu.

ADMISSIONS

FRESHMAN ADMISSION CRITERIA

SDSU attracts highly qualified students each year. The average high school GPA for fall 2018 admitted freshmen was 3.93 with an average SAT (evidence-based reading and writing, and math) score of 1264 or ACT score of 27.

Before you apply, review the information and checklist at www.sdsu.edu/freshmanapplicant and then apply at calstate.edu/apply between October 1 and November 30, 2018 for fall 2019 admission.

Your application is evaluated based on:

1. Your Eligibility Index (a calculation of your GPA and SAT/ACT scores)
2. Completion of the “A–G” college prep curriculum
3. Your intended major

ELIGIBILITY INDEX

The eligibility index is based on your GPA and your scores on either the SAT (evidence-based reading and writing, and math), or the ACT. Neither writing scores nor subject tests are considered for admission. For more information on the eligibility index, visit www.sdsu.edu/eligibilityindex.

Calculating your GPA

For the SDSU admissions application, your high school grade point average is calculated on all “A–G” courses completed after ninth grade. This means it may be different than the GPA* on your high school transcript. Refer to www.sdsu.edu/eligibilityindex to learn how to calculate your GPA.

Calculating your Eligibility Index

Once you have calculated your GPA, use the formula below to calculate your eligibility index.

Using the SAT

$$\begin{array}{r} \text{(High School GPA} \times 800) \\ + \text{ SAT (evidence-based reading} \\ \text{and writing and math) Score} \\ \hline \text{Eligibility Index} \end{array}$$

Using the ACT

$$\begin{array}{r} \text{(High School GPA} \times 200) \\ + \text{ (ACT Composite Score} \times 10) \\ \hline \text{Eligibility Index} \end{array}$$

*AP courses are eligible for honors points.

A–G COURSES

As a first-time freshman applicant, you must earn a C– or higher in the following 15-unit “A–G” pattern of college preparatory courses:

A. Social Science—2 years

Must include 1 year U.S. history and government.

B. English—4 years

Acceptable courses must include substantial reading of classic/modern literature and writing of structured papers.

C. Mathematics—3 years (4 recommended)

Acceptable courses include algebra I, geometry, and algebra II.

D. Laboratory Science—2 years

Must include 1 year of a biological science and 1 year of a physical science.

E. Foreign Language—2 years or demonstrated equivalent competence

Both years must be in the same language.

F. Visual and Performing Arts—1 year

Must be a year-long course in visual art, dance, drama/theatre, or music. May complete two semester-long courses from the same discipline.

G. Electives—1 year

Select from English, advanced mathematics, social studies, history, laboratory science, agriculture, or foreign language.

INTENDED MAJOR

All majors have more applicants than available slots (the CSU calls this impaction). During admission, we rank applicants within each major, rather than overall. Music, dance and theatre arts (performance) applicants will receive further instructions from the department regarding additional requirements.

Admission to nursing is a highly selective process. Freshman nursing applicants will be ranked by their GPA on college preparatory courses, SAT/ACT scores (see SAT/ACT information under Eligibility Index), and grades in high school intermediate algebra, biology and chemistry with a lab.

ADMISSIONS

TRANSFER ADMISSION CRITERIA

SDSU accepts transfer applications* only from upper-division transfer students who have completed 60 or more transferable semester (or 90 or more quarter) units by the end of the spring term prior to enrolling at SDSU for the following fall semester.

All applicants will be admitted on a space-available basis and will be ranked on how closely they meet the five requirements below.

Transfer Admission Requirements

As an upper-division transfer applicant, you must meet the following **minimum** requirements by the end of the spring** term prior to enrolling at SDSU for the following fall semester to be considered for admission:

- Complete a minimum of 60 or more transferable semester (or 90 or more quarter) units.
- Complete a minimum of 30 units of General Education courses.
- Complete with a C- grade or higher, the following General Education courses, known as the "Golden Four." For detailed information about the Golden Four, visit www.sdsu.edu/transferapply.
 - a. Oral Communication
 - b. Written Communication
 - c. Critical Thinking
 - d. Mathematics
- Meet the GPA*** required for your major at www.sdsu.edu/majorgpa. Depending on the number of applicants, the GPA for admitted students may be higher than the required minimum for the major.
- Complete all major preparation courses listed in the SDSU General Catalog.

* SDSU does not accept transfer applications from lower-division students with fewer than 60 transferable semester units nor for a second bachelor's degree except in nursing.

** Upper-division nursing transfer applicants must complete all nursing prerequisites by the end of the fall term.

*** If you have prior SDSU coursework, you must maintain a 2.0 or higher GPA for any SDSU Regular Session, Special Session, Open University, or Cross Enrollment coursework. This is in addition to the major GPA requirement.

Transfer Pathways

When you apply to SDSU as a transfer student, you must select the major that you are going to pursue. For a complete list of majors offered at SDSU, visit www.sdsu.edu/majors. When you are considering which major to choose, review the transfer admission requirements carefully as some majors have special instructions.

After you have selected a major, determine which pathway you will follow for admission. The following pathways are offered at SDSU:

- Associate Degree for Transfer (ADT)
- Transfer Admission Guarantee (TAG)
- General Transfer Pathway

For more information, visit www.sdsu.edu/transferapply.

Online Resources

- SDSU Admissions—www.sdsu.edu/transferapply
- Transfer Admission Planner—www.sdsu.edu/tap
- ASSIST—www.assist.org
- Major Academic Plan—www.sdsu.edu/mymap
- SDSU General Catalog—www.sdsu.edu/catalog

APPLYING

HOW TO APPLY

SDSU's application filing period is October 1 to November 30 for admission the following fall. Before you apply, visit the online application guide at www.sdsu.edu/transferapplicant and then apply at calstate.edu/apply and designate San Diego State University as your campus of choice.

ONLINE SDSU SUPPLEMENTAL APPLICATION

Transfer applicants must submit the mandatory online SDSU Supplemental Application on the SDSU WebPortal by January 22, 2019.

Admission is based on self-reported information. SDSU will verify this information against your official transcripts after you are admitted.

ADMISSION STATUS

Admission decisions will be available via your SDSU WebPortal account starting in March. Be sure to set up your SDSU WebPortal account at www.sdsu.edu/portal in December to view your admission status.

COST OF ATTENDANCE

Your college education is a valuable investment in your future. With the increasing cost of higher education across the country, it is important to make informed choices to make this investment affordable for you and your family.

We want you to understand what your costs will be so that you can make important decisions as you prepare for the next step in your education.

UNDERGRADUATE COSTS (2018-19)

	California Residents	Nonresidents (out-of-state)
Basic Tuition and Fees	\$7,488	\$7,488
Nonresident Tuition*	\$0	\$11,880
On-Campus Food and Housing**	\$16,735	\$16,735
Total***	\$24,223	\$36,103

For the most up-to-date figures, or for information on graduate tuition and fees, refer to www.sdsu.edu/costofattendance.

* Nonresident tuition is based on 15 units each semester at \$396 per unit.

** All first year students who graduate from high school outside of SDSU's local admission area live on campus for two years. Be sure to review the on-campus food and housing payment schedule at housing.sdsu.edu. This estimate is based on a double room and the Flex 7 meal plan. Your total cost and payments will vary depending on the meal plan and room type you are assigned.

*** Plan for additional expenses that will increase your cost of attendance. For undergraduates, we estimate the average annual cost of books and supplies to be \$1,915, transportation to be \$1,544, and personal expenses to be \$1,480. If these amounts match your personal situation, then add them to the overall cost of attendance listed above.

Cost of Attendance Note: The CSU makes every effort to keep student costs to a minimum. Fees listed in published schedules or student accounts may need to be increased when public funding is inadequate. Therefore, CSU must reserve the right, even after fees are initially charged or initial fee payments are made, to increase or modify any listed fees. All listed fees, other than mandatory systemwide fees, are subject to change without notice, until the date when instruction for a particular semester or quarter has begun. All CSU listed fees should be regarded as **estimates** that are subject to change upon approval by the Board of Trustees, the Chancellor, or the Presidents, as appropriate. Changes in mandatory systemwide fees will be made in accordance with the requirements of the Working Families Student Fee Transparency and Accountability Act (Sections 66028-66028.6 of the Education Code).

COST CALCULATOR

SDSU's Net Price and Cost Calculator helps you estimate your eligibility for undergraduate federal grants and loans and the approximate net price you and your family should expect to pay using your own funds. Visit www.sdsu.edu/costcalculator for more information.

PAYING FOR YOUR EDUCATION

Get an overview of how to pay for your education and the financial aid process at www.sdsu.edu/financialaid. Once you have applied for aid, access AidLink at www.sdsu.edu/AidLink to check on the status of your financial aid application.

FINANCIAL AID

You can apply for financial aid anytime after October 1—don't wait until you are admitted to the university! The Free Application for Federal Student Aid (FAFSA) is all you need to be considered for federal grants, student and parent loans, and work study. Apply online at www.fafsa.gov using SDSU's Federal School Code of 001151.

Deadlines

March 2 is the Cal Grant deadline and we encourage all students to complete the FAFSA by this date. Be sure to check AidLink to determine if you need to submit additional documentation and for the priority evaluation deadline.

IRS Data Retrieval

We strongly recommend that you use the IRS Data Retrieval process when submitting your online FAFSA. Actual income and tax information is automatically transferred from the IRS to your application reducing errors and the need to follow up for additional information.

Types of Aid

Federal Pell Grants: Pell Grants are awarded based on financial need and do not have to be repaid.

Loans: Federal loan programs allow you to borrow funds for your education that you will repay after graduation at a low interest rate. A freshman may borrow up to \$5,500 in federal loans. Parents may borrow up to the total cost of attendance after passing a credit evaluation for a Federal Parent PLUS Loan. Alternative loans, offered by private lenders, are more expensive. Borrow your limit in federal loans before seeking a private loan.

Work Study: The Federal Work Study program is a part-time employment program for students with financial need. You may contact the SDSU Office of Financial Aid and Scholarships to learn more about eligibility requirements.

Cal Grants: California residents may be eligible to receive a Cal Grant, which is free money for college. Apply by submitting the FAFSA (www.fafsa.gov) and the GPA Verification Form (www.csac.ca.gov) by March 2.

SCHOLARSHIPS

A scholarship is a monetary award usually given to students based on their achievements and qualifications.

Types of Scholarships

SDSU Scholarships: SDSU scholarships are competitive and each requires a separate application. Most are due in early February, but it is strongly encouraged to apply for SDSU scholarships as soon as you have applied for admission to the university. First, search for scholarships at www.sdsu.edu/scholarshipsearch. Then submit your scholarship application, essay, and any additional materials. Review the application and eligibility requirements in each scholarship's description for more details.

Academic departments may offer additional scholarships, fellowships, and traineeships.

External Scholarships: We encourage you to apply for as many scholarships as possible. External scholarships may be awarded to students at any university. They are managed by organizations other than SDSU.

Scholarship Resources

- Start your search by visiting www.sdsu.edu/scholarships.
- Ask about scholarships from your parents' workplaces or your church or civic organization.
- Try scholarship search engines such as www.scholarships.com and www.fastweb.com. But BEWARE of people or organizations wanting to charge you money. Searches should ALWAYS be FREE!
- Prestigious national scholarships are listed by SDSU's Office of National Scholarships and Fellowships at onsf.sdsu.edu.

HOUSING

Living on campus at SDSU means freedom from frustrating commutes, costly utility bills, and daily meal preparation. All of the SDSU residential facilities are furnished and provide a number of amenities to make your on-campus living experience a positive one. The SDSU residential communities provide a strong support network within your living environment and the opportunity to establish close-knit friendships. Learn more at housing.sdsu.edu.

BENEFITS

The advantages to living on campus are numerous. Both national research and SDSU research indicate that students who live on campus:

- have higher GPAs than students who live off campus,
- are more connected to campus and report a better college experience, and
- are more likely to stay at the same college and to graduate in a timely fashion.

TWO-YEAR RESIDENTIAL REQUIREMENT

Due to the proven success of on-campus living, SDSU implemented the Sophomore Success Program, which requires all students who graduate from a high school outside of SDSU's local admission area to live on campus their first and second years. Sophomore Success is an immersive, full-service academic and student life initiative tailored to sophomore students. Program participants enjoy special services and events designed to promote academic, career and personal success including:

- Academic advising workshops
- Career readiness: resume critiques, internship preparation, networking
- Study abroad planning
- Financial literacy education
- Healthy living: smart shopping tours, healthy cooking demonstrations, and creating a balanced lifestyle

For more information about the Sophomore Success Program, visit www.sdsu.edu/sophomoresuccess.

RESIDENCE HALLS

For our first-year students, we primarily offer triple occupancy rooms in traditional residence hall and suite-style buildings. A limited number of quad, double and single rooms are available based on inventory. Each residence hall includes a 24-hour front desk, recreation room, study room, vending machines, and laundry room. Each room is furnished with a bed, desk, chair, dresser, wardrobe or closet and MicroFridge (microwave, mini-refrigerator combination unit). Suites include a kitchenette and mini-fridge.

APARTMENTS

For our second-year residents, we primarily offer single and double occupancy rooms in 1-4 bedroom apartments. Each apartment complex includes a community office and on-site laundry. Each apartment has a full kitchen with microwave, stove/oven, and refrigerator, as well as a community space. Each room is furnished with a bed, desk, chair, dresser, wardrobe or closet.

AMENITIES

On-campus housing includes:

- Wi-Fi
- Cable or Philo TV streaming with 20 hours of DVR
- Aztec Recreation Center (ARC) and Aquaplex membership
- Diverse meal plans and dining options
- Live-in faculty and staff support
- Community activities and programs
- 24/7 maintenance service for emergency repairs

HOUSING

MEAL PLANS

SDSU meal plans provide you with the flexibility to eat when and where you want. SDSU dining provides over 30 venues to choose from across campus with 20,000 menu options daily. Many of these menus feature fresh ingredients from three SDSU gardens through the Campus-Grown program. Find out more about meal plans at www.eatatsdsu.com/mealplans.

RESIDENTIAL LEARNING COMMUNITIES

Residential Learning Communities (RLCs) provide first-year residents with a unique opportunity to connect and learn, both inside and outside of the classroom. In an RLC, you will live alongside other students with shared academic or co-curricular interests and are enrolled in a connected set of academic courses to help produce smaller, more intentional communities that promote student success.

Your education will be supported by Faculty-in-Residence (FIRs) and Academic Mentors (AMs) through related social activities and one-on-one mentorship.

Residential Learning Community Options

- Adventures in Surfing and Sustainability
- Business
- Dance
- Discover San Diego
- Emerging Leaders Program
- Future Education Professionals
- Health and Healing Professions
- Journalism and Media Studies
- Journey to Entrepreneurship
- Men Engaging in Technology and Science (METS)
- Nursing (must be a direct admit to the Nursing program)
- Physical Fitness (P-Fit)
- Pre-Law Community
- Pride House
- Toltec House for Undeclared Majors
- Visual and Performing Arts
- Weber Honors College (must be accepted into the Weber Honors College)
- Women and Gender Equity (WAGE)
- Women in Science and Engineering (WiSE)

STUDENT LIFE

RED AND BLACK GOES GREEN

SDSU has been recognized by The Princeton Review for its sustainability efforts, which includes GreenFest. GreenFest is a week of environmentally themed activities culminating with a festival and concert. SDSU has several buildings with Leadership in Energy and Environmental Design (LEED) Certification, including the Conrad Prebys Aztec Student Union. The student union is the hub of campus life and home to the Aztec Lanes bowling alley, the ARC Express, and several eateries. To learn more, visit as.sdsu.edu/union.

AZTEC NIGHTS

We kick off each semester with a few weeks of on-campus nightlife to help you become part of the SDSU community. More than 16,000 students attend Aztec Nights events, which include a carnival, movie screenings under the stars, a charity dance marathon, free concerts, comedy acts, and more. Check out the fun events for this year at as.sdsu.edu/aztecnights.

GET INVOLVED

With more than 350 different student organizations at SDSU, there's guaranteed to be something here for you! Associated Students (AS) is one of the largest student governing bodies in the CSU system with an operating budget of over \$29 million. AS gives students the opportunity to get involved and to have their voices heard. Find out more about how to participate in student government by visiting as.sdsu.edu, or learn more about student organizations by visiting sll.sdsu.edu.

RECREATION

Get in Shape

The Aztec Recreation Center (ARC) is an 80,000-square-foot fitness facility featuring group exercise classes, intramural sports, a rock climbing wall, and certified personal trainers. Even better—membership is free if you live on campus. Find out more at arc.sdsu.edu.

Go for a Swim

Take advantage of San Diego's year-round beautiful weather at the Aztec Aquaplex. It features two large outdoor solar-heated pools, a 20-person spa and two full-service locker rooms. The Aquaplex is equipped with lounge chairs, lounge rafts, kickboards, pull buoys, and water basketballs and volleyballs. Visit the Aquaplex website at arc.sdsu.edu/aquaplex.

Find Adventure

Challenge your physical and mental limits with day or weekend outdoor excursions through Aztec Adventures. You can go white water rafting, rock climbing in Joshua Tree, backpacking through national parks, and more. Find your adventure at aztecadventures.sdsu.edu.

Attend Class Outside

Earn SDSU credit in kayaking, sailing, stand up paddling, surfing, wakeboarding, and windsurfing. Instructional and recreational water sports classes are offered at the Mission Bay Aquatic Center. Visit www.mbaquaticcenter.com to discover more about the center.

ATHLETICS

When you enroll at San Diego State, you become part of over 120 years of tradition. And no tradition is stronger than Aztec school spirit! San Diego State University claimed four Mountain West Championship titles and one Mountain Pacific Sports Federation title in 2017-18. With that kind of athletic muscle, you will be proud to join the sea of red and black in the stands of every game. Sports are only one part of the college experience, but they have a unique way of bringing together our 34,000 students from across campus and 400,000 alumni from around the world.

SDSU students are admitted FREE for all regular season Aztec athletic events with a valid SDSU RedID card. Share in the excitement of SDSU sports and our pride in being a top school for athletics in the west.

Visit goaztecs.com/tickets/students.html for details.
