Students who submit completed documents by this deadline will be notified of a decision by early January.

• Regular Deadline—April 1, 2022

Students who submit completed documents by this deadline will be notified on a rolling basis.

You can apply to SDSU as a first-year if you have:

- not yet graduated high school, but are on track to graduate with a high school diploma by spring 2021; or

STEPS TO APPLY

Step 1: Complete the Cal State Apply Application

Complete the online application at calstate.edu/apply and pay the \$70 USD nonrefundable application fee.

Step 2: Create an SDSU WebPortal Account

After submitting the application, you will receive an email from SDSU prompting you to create an SDSU WebPortal account to monitor the status of your application.

Step 3: Submit High School Transcripts

Unofficial transcripts must be submitted from all high schools attended for initial evaluation. Transcripts must be uploaded through the SDSU WebPortal in the original language, with certified English translations, if necessary.

Step 4: Proof of English Proficiency

English proficiency is critical to your success. If your native language is not English, SDSU requires that you complete one of the following requirements:

Cost of Attendance Note: The CSU makes every effort to keep student costs to a minimum. Fees listed in published schedules or student accounts may need to be increased when public funding is inadequate. Therefore, CSU must reserve the right, even after fees are initially charged or initial fee payments are made, to increase or modify any listed fees. All listed fees, other than mandatory systemwide fees, are subject to change without notice, until the date when instruction for a particular semester or quarter has begun. All CSU listed fees should be regarded as estimates that are subject to change upon approval by the Board of Trustees, the Chancellor, or the Presidents, as appropriate. Changes in mandatory systemwide fees will be made in accordance with the requirements of the Working Families Student Fee Transparency and Accountability Act (Sections 66028-66028.6 of the Education Code).

HOUSING

Transitioning to life as a university student is easier by living on campus at SDSU. The residential communities provide a strong support network within your living environment and the opportunity to establish close-knit friendships. All international first-year students from outside SDSU's local admission area are required to live on campus during their first two years of study. Costs vary depending on the type of accommodation and meal plan selected. Visit housing.sdsu.edu to learn what it's like to live on campus.

UNDERGRADUATE PATHWAY PROGRAM

SDSU's Undergraduate Pathway Program (UPP) guarantees students admission into an SDSU degree program upon successful completion of UPP studies. While in the UPP program, you will begin earning credits towards your SDSU degree, prior to matriculation. The UPP program combines SDSU credit-bearing courses with English as a Second Language instruction, one-on-one academic advising, and immersive academic and cultural experiences. Our dedicated SDSU UPP team will help students smoothly transition into life as a student in the United States and at SDSU.

If you would like to focus on improving your academic English before enrolling in any SDSU credit courses, we invite you to apply to our English for Academic Purposes (EAP) program. Eligible international students can receive conditional admission to SDSU, and earn a TOEFL/IELTS waiver, without taking any SDSU credit-bearing courses.

Please visit sdsu.edu/upp for more information.
