Advanced Placement (AP) and International Baccalaureate (IB) credits will be accepted. In addition, credits earned through SDSU Regular Session, Special Session, Open University, or Cross Enrollment will also be accepted.

Students who at the time of application have completed 100% of their transferable courses from Palomar or MiraCosta colleges and apply for programs that are not offered at CSU San Marcos will also have admission priority, as long as they have completed the above requirements. A list of these programs can be found online at sdsu.edu/csusanmarcos.

The Transfer Admission Guarantee assures admission to the University. Students must follow the rules of admission of their intended major department to be admitted into the major. The TAG does not apply to applicants majoring in Dance, Music, Nursing, Social Work, or Theatre Arts: Performance. **Also, there is no guaranteed admission for any major for which there is an SDSU-approved Associate Degree for Transfer (AA-T/AS-T).** Students must plan to take any required course not offered by their institution at another local community college or at SDSU through CSU Cross Enrollment or Open University. Attendance at local community colleges will be verified by the National Student Clearinghouse. Therefore, students who misrepresent institution attendance will have their admission revoked.

Students who are not eligible for the Transfer Admission Guarantee will be ranked based on the extent to which they have completed the requirements listed above. SDSU will admit via this ranking until all available enrollment slots have been filled.
